part. WITNESSETH. THAT:

WHEREAS, the parties hereto deem it advisable, pursuant to a plan of reorganization, to have Bass Foundry & Machine Corporation (herein called "New Company"), a new corporation to be formed by the Incorporators, acquire all of the assets of every kind and description, tangible and intangible, real, personal and mixed, including the business and good will, of Bass Company and Fort W ayne Company, and assume all of the debts and liabilities of said Companies and issue to the Stockholders of the Bass Company certain shares of stock, as hereinafter set forth,

THEREFORE, for and in consideration of the several and mutual covenants of the parties hereto and of the sum of One Dollar (\$1.00) in hand paid to each of the parties hereto by the others, receipt whereof is hereby acknowledged, and in order to carry out such plans of reorganization, it is agreed by and between the parties as follows:

- 1. The said assets and properties of the Bass Company and Fort Wayne Company shall be conveyed, transferred and delivered to the New Company by good and sufficient deeds, bills of sale, endorsements, assignments and other good and sufficient instruments of transfer and conveyance, at such time, not later than October 1, 1930, as shall be designated by the New Company.

4. The New Company, upon the completion of said reorganization and the acquisition of the assets of said Companies, will have issued and outstanding the following securities:

Inasmuch as Bass Company is now the owner of all of the issued and outstanding capital stock of Fort Wayne Company, no securities of the New Company will be issued to or for the benefit of the holders of the capital stock of Fort Wayne Company.
